The US Army Intelligence and Security Command (INSCOM), 8825 Beulah Street, Fort Belvoir, Va., is issuing a presolicitation notice with the proposed acquisition strategy for awarding the Interpreter and Translator Management Services requirement. INSCOM intends to release three solicitations for the efforts described herein. The proposed NAICS Code for this requirement is 541930. The **proposed** acquisition strategy is to award three separate contracts based on specific mission requirements. The three mission requirements are (1) Iraq, (2) Guantanamo Bay (GTMO)/Afghanistan /Emerging Requirements, and (3) Exercise Support. The solicitation for (1) Iraq requirement will be synopsized as a full and open competition. The two solicitations for (2) GTMO/Afghanistan/Emerging Requirements, and (3) Exercise Support will be set aside for small businesses. A brief description/scope for each requirement is posted on the INSCOM Website at <http://www.inscom.army.mil/contracting>. The proposed requirements will each have a base period of 24 months with three one-year option periods. At this time the Government will not furnish any additional information concerning this requirement. This is not a request for proposals. The Government is not preparing a bidders list. Release of the RFP is anticipated on or about 1 June 2005. The RFP when finalized will be available on INSCOM'S Internet Website at: <http://www.inscom.army.mil/contracting>. Interested parties are responsible for checking the website for release of the RFP and for other procurement-related documents. A HARD COPY RFP WILL NOT BE ISSUED for this requirement since ALL procurement-related documents will be released via the Internet. No telephone inquiries will be accepted. Any questions shall be accepted by email only to Donna .Broady at [dlbroad@inscom.army.mil](mailto:dlbroad@inscom.army.mil).
